

Trojan Pure Ecstasy

**PAGE ONE**

**PANEL ONE**

Establishing shot. Wide angle. Interior of an upper middle class, well furnished and well kept house. A stairway in the back leads upstairs and the front door is to the right of the panel.

In the middle of the panel is an attractive girl, mid 20's. She's wearing a solid black T-shirt with a Disney character on the front (artist's discretion, whatever is felt makes her appear to be most pure and innocent) and tight, low riding blue jeans with a thick belt. This is Liz. She is walking toward the front door where the bell is ringing.

[SFX]:                    (by door)  
                             >DING DONG<

LIZ:                        Coming...!

**PANEL TWO**

Liz opens the door and sees another girl slightly older (and a bit more pudgy) than she is. She is wearing a bright summer dress. This is her best friend, Polly. She appears sad.

LIZ:                        Hi, Polly. Come on in.

POLLY:                    Liz, I need to talk. I don't know  
                             what to do.

**PANEL THREE**

Liz and Polly are sitting on Liz's couch. Polly is explaining to Liz.

POLLY:                    ...So with having a daughter  
                             already, I'm concerned about having  
                             a another baby. Chris has been  
                             after me because we haven't really  
                             been ...

**PANEL FOUR**

Close on concerned and somewhat embarrassed Polly.

POLLY:                    ... intimate for a while.

**PANEL FIVE**

Wide angle. Liz is standing in the room. Polly remains seated.

**LIZ:** I'm glad you came to me about this, Polly. I think I can help. I'll be right back.

**PANEL SIX**

Liz is in her bathroom, rummaging around in the medicine cabinet.

**[NO DIALOG]:**

**PANEL SEVEN**

Liz is back in the living room, standing in front of Polly. Polly has her hand out. Liz is about to drop something from her hand into Polly's. We don't see what it is.

**LIZ:** Try this, Polly.

**PAGE TWO**

**PANEL ONE**

Close on Polly's hand. Three different colored and individually wrapped Trojan Pure Ecstasy condoms are in her hand.

**POLLY:** Condoms? Chris would never go for this. I've already tried!

**PANEL TWO**

Wide angle. Liz is sitting back on the couch, talking to Polly.

**LIZ:** These are new. Different.

**POLLY:** Oh? How so?

**PANEL THREE**

On Liz, explaining.

**LIZ:** Trojan's Pure Ecstasy condoms have a new ultra smooth lubricant inside and out for a completely natural experience. It's newly designed comfortable shape allows unprecedented freedom of movement and it is tapered at the end for a secure fit.

**PANEL FOUR**

Wide angle on Liz and Polly. Polly is looking closer at the condoms, as if Liz has gotten her attention.

**LIZ:** Seriously, Polly. Richard tells me *It is like there is nothing there!*

**PANEL FIVE**

Still on Liz and Polly.

**POLLY:** But, Liz, how do they feel to you?

**LIZ:** To be honest, Polly, I am surprised you can't hear me screaming with joy all the way to your house!

**PANEL SIX**

Liz and Polly are at the door. Polly is waving good bye.

**POLLY:** Thanks, Liz. I can't wait to try these!

**PANEL SEVEN**

Caption panel.

**[CAPTION]:** New Trojan Pure Ecstasy condoms are all electronically tested to insure reliability. Try one today. You'll be glad you did!

**END**
